

# COMPLIMENTARY WELLNESS VISIT CERTIFICATE

Congratulations on your new pet! This certificate will entitle you to a wellness exam at no cost with a participating veterinarian within 2 weeks of adoption.

## PURPOSE OF THE EXAM

- Ensure the health of your new family member
- Get established with a veterinarian
- Purchase preventatives without exam cost
- Activate your 1-month free trial of Trupanion Insurance
- Set up future vaccination appointments
- Address any health questions or concerns

## SCHEDULING YOUR EXAM

- Call to book the appointment immediately after adoption
- Don't forget to take your orange adoption folder with you!

GK provides the exam **only**. Unless authorized, additional services requested are your financial responsibility. This includes any fecal exams recommended by vet as your pet has already had a negative fecal exam before adoption. If you choose to get a fecal exam and it comes up positive, GK will cover the cost.
